

## Nova Scotia

# Suspected human trafficking cases on the rise in N.S., say RCMP

‘Most of the parents that we’ve dealt with so far are waiting for their daughters to come home’

Nova Scotia has a long history of human trafficking. The RCMP say people are being taken from rural and urban communities in the province. (Shutterstock)

---

The number of suspected human trafficking cases is on the rise in Nova Scotia.

Police report more families coming forward from every corner of the province to
