In 2011, a coin dealership ran a television ad for a 10th-anniversary 9-11 commemorative coin that was allegedly “clad in .999 pure silver actually recovered from vaults beneath the ashes of Ground Zero.”

That commercial provoked retired New York Police Department Captain Tom DePrisco to

[...] An investigation reported in the Journal of Business concluded there was "Evidence of unusual option market activity in the days leading up to September 11 that is consistent with investors trading on advance knowledge of the attacks." You can find more on the 9-11 bullion heist and a plethora of corporate 'insider dealing' that was attempting to profit from the 9-11 event, here and here. [...]
